MISSOURI EDUCATORS ONLY

Discover Nature Schools

is science and conservation education at its best. K-12 instructional units are tightly aligned with Missouri's grade-level and course-level expectations. Each unit includes teacher training and grant opportunities for classroom equipment, outdoor classroom materials, and related field experiences. Units help students experience hands-on learning in nature close to home.

- **Pre-K** (preschool) unit will be available winter 2014/15.
- **K-2** (grades kindergarten-2) *Nature Unfolds* unit features life cycles, seasons, and weather.
- **Elementary** (grades 3-5) *Nature Unleashed* unit features pond, forest, and prairie ecosystems.
- **Middle school** (grades 6-8) *Conserving Missouri's Aquatic Ecosystems* unit features aquatic ecosystems.
- **High school** (grades 9-12) *Nature Unbound* unit features ecology and wildlife management.

For more information about Discover Nature Schools, visit mdc.mo.gov/15642.

To contact your local Education Consultant, select your county in the "Who's My Local Contact" box at mdc.mo.gov/education.
